                      Announcing New Telnet Options

    This is to announce that two new TELNET options have been specified.

        Negotiate About Output Line Width (NAOL) NIC#20196

        Negotiate About Output Page Size (NAOP) NIC#20197

    These were prepared by Dave Walden (BBN-NET) and put on-line by Anita
    Coley (UCLA-NMC) and Dave Crocker (UCLA-NMC).
